

Important Information:

- If a student chooses not to buy the senior package but wants to purchase Grad Day or the senior shirt, these must be purchased during the **first week of package sales**. Senior shirts will only be available for purchase during this time. Grad Day will continue to be available WHILE SPACE REMAINS on the buses.
- You will not be allowed to purchase a senior package or any senior activities (Grad Day, Prom, BBQ) unless you currently have an **unweighted** GPA of 2.0. In addition, if you are not on track to graduate as determined by administration, you will not be allowed to purchase a senior package. If you bring your GPA up and complete your requirements, you will be allowed to purchase activities separately, **IF THERE IS SPACE AVAILABLE**.
- Excessive absences and/or tardiness may result in the loss of your senior privileges, and refunds will **NOT** be given.
