

Welcome [DISTRICT] Teachers & Staff!

Your district has provided you with access to InSync Education, a supplemental blended learning tool with thousands of resources across multiple subjects, including math, reading, writing, science, college and career readiness, and more. Inside InSync, you'll find:

- ✓ Standards-aligned blended learning resources
- ✓ Flexible groups, assignments, and activities for differentiated instruction
- ✓ Whole group and small group classroom activities
- ✓ Test Prep 'Launchpad' to help teachers easily find and use relevant resources
- ✓ Online interactive activities, printable worksheets, and quizzes for students
- ✓ Activities for parents and students to try together at home
- ✓ Text and audio support in English, Spanish, and Haitian Creole

Create your account today!
