

ESOL Building Foundations for ELLs K-5

Audience: K-5 Educators of English Language Learners

This two-day face-to-face learning opportunity prepares K-5 classroom teachers of ELLs and Literacy Coaches to plan for and implement research-based instruction and assessment, in order to meet the diverse needs of English Language Learners (ELLs). Participants will be able to facilitate language acquisition for culturally and linguistically diverse students who enter the classroom with a broad range of experiences. By the end of the professional development, participants will be able to integrate language and content instruction by building on students' knowledge and experience to meet academic and language proficiency needs.
